

ROAD MAP

Your guide to the 2022 Paradise Pack

DEAR FRIEND...

Thanks for being a part of the Paradise Pack customer community. You freakin' rock!

We know that The Paradise Pack is literally PACKED with resources to help you live, work and travel anywhere.

With so many options, it can be hard to decide where to start. That's why we created this Road Map for you. It's designed to help you discover which materials you should go through first, based on your interests.

These are merely suggestions, so don't feel locked in. Get off the main roads, explore, learn, and, most important of all, take action and get started!

After Paradise Pack week, we'll be running some Implementation Workshops to help you get the absolute most out of your Paradise Pack, so stick around on our email list so you don't miss your opportunity to join us.

We look forward to staying in touch and continuing to provide support so you can achieve all your travel and location independence business goals and find your personal paradise!

Cheers,

Jason & Trav

The Paradise Pack & Location Indie

Just Getting Started with Location Indepen- dence

Worker to Wanderer by Annette Fortner

Worker to Wanderer is the step-by-step system on how to become a digital nomad. Inside of Worker to Wanderer's 5 modules, you'll learn from the basics, like how much traveling the world full-time costs, and deciding your first location, to over 10 ways you could monetize your travel lifestyle! Worker to Wanderer has alumni currently living in Europe, South America, Asia, and the Middle East who all started out just like you: working a 9-5 they hated, wishing they could travel the world.

100K Lifestyle Business Blueprint + 6 months FREE access to Parable by Mitko Karshovski

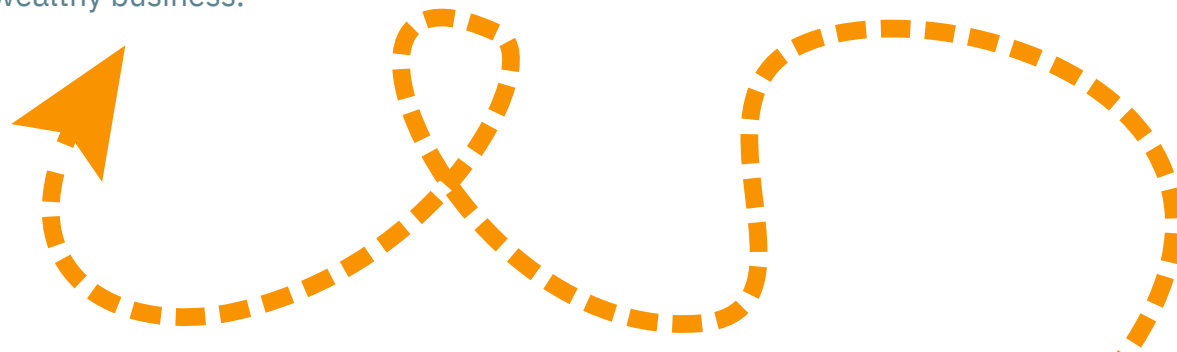

Building a business doesn't have to be scary or risky. Hundreds of founders have followed a 4-step blueprint to create profitable location-independent businesses. Learn how you can use the skills YOU ALREADY HAVE to build & scale your lifestyle business to \$100K (and beyond) using a system developed through real-world case studies. You're not starting from zero. The guesswork ends here!

The Legit eBusiness Assessment Masterclass by Heather Farrell

If you are still on the fence about which online business to start, taking this assessment is your next right step. This one-of-a-kind tool will save you the time, money, and anguish of starting the wrong business and wasting your precious time and hard-earned money on the wrong path. Take this peer-reviewed shortcut and find the perfect online business for you!

Profit Rx by Braden Drake

The legal, tax, and business finance resources you need with optional, additional support. It's your step-by-step prescription to eliminate financial anxiety by building a healthy & wealthy business.

2022 Paradise Pack Road Map

The Art of Finding Clients

+

Passive Income Streams

Passive Income Powerhouse by Jonathan Levi

Learn the economic theories and various strategies that make passive income, and develop your own passive income streams. You'll learn how to choose between the many different types of passive income, and choose the right ones for you; the economics and underlying dynamics of money, and how to use them to create passive income; and how to adjust your mindset to suit the passive income lifestyle, and avoid the common psychological traps many people face.

Pricing Success for Freelancers by Freelance University

One of the most difficult things to get right in your freelance business is PRICING. As freelancers, we often stress over whether our rates are too high or too low and how to structure our rate sheet and packages. In this course, we are going to walk through a simple formula for setting your rates and pricing for your service packages. We will also be providing a comprehensive pricing guide across a variety of popular freelance niches that we think you will find helpful.

The Clients Now Playbook: 15 Strategies to Getting Customers & Clients On Demand by Brian Lofermento

Ever feel stuck when it comes to finding customers and clients to buy your products and services? Get your hand on the Clients Now Playbook to get 15 surefire strategies that ANYONE can use to turn on the faucet of new sales and revenue on demand... whether you have an existing audience OR you're starting from scratch!

Clients on Demand by Hannah Dixon

Clients on Demand is an online program built to empower online service providers in finding ways to land dreamy clients that feel easy and authentic. Through 15 proven strategies, paired with additional support to figure out which work best for you personally, a success tracker, and a suggested plan of action to put the strategies good use, you'll be able to take consistent actions that move the needle in your business. No more guessing. No more hoping and wishing. Just meaningful action and results.

Marc Cuban Ain't Got Nothing on These Skills (Business Mastery)

How to Conduct Proper Website Due Diligence by Jaryd Krause

Want to buy an online business? Learn how to verify traffic, identify how valuable a website is, verify the website's P&L, identify opportunities and risks, learn the critical questions you should ask sellers, and more. The better your questions are, the better the answers. The better the answers about a business you are looking to spend your hard-earned cash on, the better chance you have of making a wise investment decision!

Skyrocket With SEO by Isabel Leong

If you're ready to get serious with growing your site traffic so you can attract your dream audience & clients, the Skyrocket With SEO course covers everything from A to Z about how to rank your site on Google by taking the overwhelm out of you with easy-to-follow videos.

Instant Brand Kit by Ruth Soukup

Putting together a beautiful, professional-looking brand is easier than you think. Our done-for-you branding kit will make choosing your brand standards simple because it is done FOR you! 12 customizable templates in total.

Just Presell It by Liz Wilcox

The biggest mistake I see bloggers and other content creators make? Spending so much time creating a product that they don't have enough energy to sell it. And honestly that's just ridiculous.

How To Create Community by Wanda Duncan

Join Wanda for an exploration of what it means to build a community for yourself and others. During this hour session, we talk about the logistics of building a community as well as the motivation that's going to keep you growing and learning with your like-minded crew. Sprinkled in are plenty of real-world examples of how and where community takes place to give you lots of ideas for how to start or manage your community.
